Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Stevens Public Utility District Waitts Lake/Valley Septage Reuse Project in fiscal year 2022. The entity to receive funding for this project is the Stevens Public Utility District #1, located at PO Box 592, Loon Lake, WA 99148. The project provides environmental benefits and a solution for a facility that has run at or near capacity for the last five years. There are fewer and fewer options available in the area to dispose of septic waste. The facility expansion is necessary to maintain Clean Water Act compliance. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Cathy McMorris Rodgers
Member of Congress
